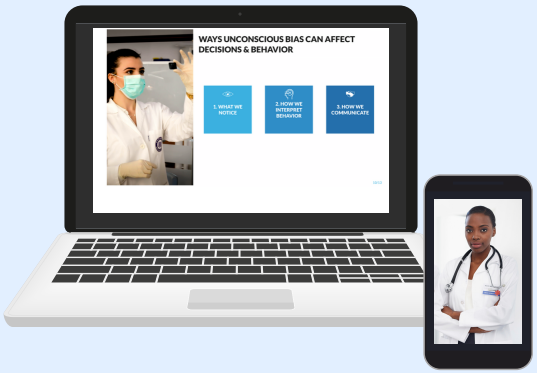
FREE E-LEARNING FOR PERINATAL PROVIDERS

Eliminating Inequities in Perinatal Health Care Project



1 hour e-learning course for perinatal providers

Each **10-20 minute section** will provide evidence-based learning on:

- Understanding bias in perinatal care
- Reproductive justice and maternal health
- Strategies to protect yourself and your patients from bias

When taken together, this course will meet the requirements of California Senate Bill 464

Resources for equity in perinatal care

A **toolkit** for organizational leaders and change agents:

- Facilitation guides for engaging staff
- Toolkit for leadership teams
- Activities to deepen understanding and learning
